### **PARENTS CODE OF CONDUCT**

As a parent, I agree to act with the utmost respect for my son's teammates and coaches, other parents, opponents and officials and I understand the Colorado Chaos will not tolerate vulgar or belligerent parents. The Colorado Chaos places a huge emphasis on positive re-enforcement and I understand that if I do not exhibit the best sportsmanship at all times my negative behavior may result in my son not being allowed to participate for the program. I also agree to hold all other family members and friends to the same high sportsmanship standards that I will hold myself to.

I agree to discuss any issues, such as playing time and coaching philosophies, with coaches and management privately and I will never discuss these issues after a game when emotions are running high. I understand that communication is paramount and unexcused absences from games and practices will not be tolerated.

Finally, I agree to make all payments on time and in full and I realize that failure to do so will result in my son losing the ability to play for the Colorado Chaos, no questions asked. Failure to make payments will also result in further actions being taken with a collections agency.
